RTRFB60-6 UPC Number: 627308972411

Fixed Bracket  
2" x 6"  
45 Degree

RTRFB45-6 UPC Number: 627308972626

Fixed Bracket  
2" x 10"  
45 Degree

RTRFB45 UPC Number: 627308972619

Fixed Bracket  
2" x 10"  
60 Degree

RTRFB60-10 UPC Number: 627308972411

## YOUR SAFETY IS OUR NUMBER ONE PRIORITY

Safety is paramount when it comes to roof brackets.

Roofers World is a leading manufacturer of superior roof brackets. Our brackets are all welded, not bent and tacked like many competitor products.

The 1/4 inch striker plate on our bracket is always set to 90 degrees, meaning that the structural integrity of our bracket is never compromised during the strike release process, so our brackets last longer.

Every bracket we sell is powder coated in Pantone Yellow, which makes them both highly corrosion resistant and highly visible on the job site.

Finally all Roofers World Fixed brackets feature a board retention plate which ensures that planks do not kick loose during roofing operations .
