

ROOFERSworld

High Performance Hardware

We believe that roofers should only carry one set of brackets.

That's why we invented the Extreme Bracket®

Benefits

Convenience - Allows the users to adjust by hand or with power drill or screw driver to exact roof pitch one degree at a time.

Features

- Adjusts From 18° to 90° by turning a knob, one degree at a time, one side at a time and can be adjusted while in use
- Use with 2" x 10" or 2" x 12" boards
- Powder coated with durable anti-corrosion paint, zinc plated adjusting mechanism to prevent corrosion and rust
- Manufactured in bright safety yellow that makes it hard to misplace.
