

**ROOFERS** world  
High Performance Hardware

## LITTLE RED RIPPER™

### Benefits

- Work in tight areas not accessible with our full-sized Red Ripper®
- Patented design allows you to rip in both directions dramatically improving productivity
- Easily remove roofing, flashings, flooring, drywall and decking

### Features

- Comfort grip, 27" handle designed to maximize torque and prevent knuckle injuries
- Forged steel design, ergonomically balanced
- Unique front and rear tooth design for precision stripping
- Ideal for tight spots and beneath overhangs
